Clean Up Day in West Columbia

Help Beautify West Columbia

Clean out storage rooms, carports, garages and yard barns. Trim up trees, shrubs and hedges. Weed flower beds. Rake yards and mow grass. Sweep driveways. Pick up trash, soda cans, and cigarette butts along neighborhood streets.

- ❑ Separate Clean Up Day trash from regular household and yard waste. **Don't forget to recycle items when possible.**
- ❑ Place tires and car batteries away from household and yard trash.
- ❑ Fill old paint cans with kitty litter, sand or dirt and stack separately from household and yard trash.
- ❑ Separate electronics (computers, printers, TV's, etc.) from other household waste.
- ❑ For large appliances, furniture, or bulky items, please call the West Columbia Sanitation Department at 796-8006 to schedule collection.

Clean Up Day trash will be picked up by city trash trucks on the regular collection days during the week of October 15 through 19, 2012.

Together we can make a difference in our community!
