REQUEST FOR QUALIFICATIONS GENERAL ENGINEERING SERVICES

ADDENDUM NO. 1 – October 30, 2018

Below are responses to questions received during the advertisement period through Friday October 26, 2018.

Q: Can a firm request qualifications for only one category?

A: Yes. Please only submit statements of qualifications for the project area which the firm would like to be evaluated.

Q: Do the 5 pages added for the additional area of qualifications need to be used for solely for the area submitting on?

A: The five pages allowed for each additional practice area should be used to provide the necessary information to demonstrate qualifications in that practice area.

Q: Is teaming allowed?

A: No. The intention of this advertisement is to pre-qualify individual firms based on their ability to provide and coordinate the services necessary to complete a project in the practice area for which they are requesting qualification.

Q: Should qualifications for landscape architecture be included in this submittal?

A: No. Only practice areas identified in the RFQ for General Engineering Services should be included in a firm's statement of qualifications.

Q: Will you provide a copy of the sign-in sheet?

A: Attached is a copy of the sign-in sheet for the non-mandatory pre-submittal meeting.
