

CITY OF WEST COLUMBIA - Safe Streets and Roads for All (SS4A) Planning and Demonstration- REQUEST FOR QUALIFICATIONS (RFQ) - ADDENDUM No. 1

This addendum addresses questions submitted by potential respondents regarding Safe Streets and Roads for All (SS4A) Planning and Demonstration RFQ

Please incorporate the following clarifications and responses into your proposal.

- 1. The total grant value is listed as \$360 K for both activities (SAP and Demo). To better understand the City's intent, is there an expected budget breakdown for allocations to each activity (SAP vs Demo)?**
 - Safety Action plan: \$260,000
 - Demonstration funding: \$100,000
- 2. Does the demonstration funding have an estimated or anticipated breakdown for design/study vs. construction funds?**
 - At this stage, a specific allocation breakdown for design/study versus construction funds within the demonstration funding is not available. The City of West Columbia intends to utilize the data collected during the initial phase to inform and guide the identification and scope of the demonstration projects.
- 3. Does the City of West Columbia intend to build off of the overarching SAP for Lexington County to reduce duplicative efforts and minimize cost for the SAP portion of this project?**
 - The City of West Columbia intends to leverage the SAP developed for Lexington County to the greatest extent possible. This approach aims to minimize redundant efforts and optimize resource allocation, enabling a more concentrated focus on the City's priorities.

Any additional questions should be submitted in writing to kcall@westcolumbiasc.gov by 5pm (EST) on April 1, 2025.
