

**CITY OF WEST COLUMBIA - Repair of West Columbia Riverwalk – Hurricane Helene Damage  
REQUEST FOR PROPOSALS- ADDENDUM No. 2**

This addendum serves to modify and clarify certain aspects of the Request for Proposals (RFP) for the Repair of West Columbia Riverwalk – Hurricane Helene Damage. Please incorporate the following changes into your proposal submission.

**1. Light fixture information:**

Lights are the acorn style light fixture. Wattage/Type: 50 Watt LED, 7,100 Lumens

Light poles are black fiberglass

Please include in your bid pricing the wiring from handhold to fixture

**2. Site Access:**

The site can be accessed from the amphitheater off Alexander Road and from the lot at 200 Meeting St.

The amphitheater parking lot can be utilized as a lay down yard.

**3. Bid Form Modification:**

Item 11 (Repair/Replace Chain Link Fence) has been removed from the scope of work and, consequently from the bid form. Please use the updated bid form from this addendum.
